The screenshot shows the WaterBriefing website homepage. At the top is a dark blue navigation bar with the logo and menu items: HOME, PRODUCTS, WATCH, WATER REPORT, DIRECTORY, JOBS, and ABOUT US. Below the navigation is a large blue banner with the 'WaterBriefing' logo and a sub-header 'Waterbriefing' followed by a paragraph of placeholder text. To the right of the banner is a testimonial from Tim Door, ABB UK Water Industry Manager, with a 'Click here to find out more.' link. Further right is a sign-up form for the newsletter. Below the banner are four small image thumbnails. The main content area on the left features a 'Latest News...' section with two articles: 'Hungary asks for EU help to combat toxic mud pollution' and 'Fight to eliminate invasive plant'. On the right side, there is a 'Top Stories' list with four items, a 'Watch' section with a video player showing 'London Tideway Improvements', and a large red 'Expert Focus Item' advertisement. Below the advertisement is a 'Category 2' box with the text 'Your expert focus item here'.
